<input type="checkbox"/>	Other:

Description: Products covered: ICS: 91.190 Building accessories including locks, buzzers, bells, bolts, door and window hardware, etc.

This addendum concerns the notification of the draft of Egyptian Standard ES 5454" Building hardware - Mechanically operated locks and locking plates - Requirements and test methods" (73 pages, in Arabic)

This standard cancels and supersedes its last edition in 2020

It should be noted that the Ministerial Decree No. 609 /2020 (3 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/171/Add.1 dated 31 March 2021 mandated among others the earlier version of this Egyptian standard.

Worth mentioning is that this draft standard is technically identical with EN 12209/ 2016

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

Proposed date of adoption: To be determined.

Proposed date of entry into force: To be determined.
