**Description:** Products covered: ICS: 97.200.50 (Toys)

This addendum concerns the notification of the Ministerial Decree No. 609 /2020 (3 pages, in Arabic) that gives the producers and importers a six-month transitional period to abide by the Egyptian Standard ES 3123-14 "Safety of toys - part 14: Trampolines for domestic use" (50 pages, in English).

It should be noted that the Ministerial Decree No. 1307/2017 (2 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/183 dated 21 February 2018, mandated among others the earlier version of this Egyptian standard.

Worth mentioning is that this standard adopts the technical content of EN 71-14:2018

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

Proposed date of adoption: 4 December 2020.

Proposed date of entry into force: 15 January 2021.
