This addendum concerns the notification of the Ministerial Decree No. 610 /2020 (4 pages, in Arabic) that gives the producers and importers a six-month transitional period to abide by the Egyptian Standards:

-ES 8220-1 for "Child care articles-Wheeled child conveyances - Part 1: Pushchairs and pram" (116 pages, in English).

-ES 8220-2 for "Child care articles-Wheeled child conveyances - Part 2: Pushchairs for children above 15 kg up to 22 kg" (16 pages, in English).

It should be noted that the Ministerial Decree No. 103/2019 (2 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/190/Add.1 dated 15 May 2019, mandated among others the earlier version of this Egyptian standard.

¹This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Worth mentioning is that these standards adopt the technical content of [EN1888-1:2018](#), [EN1888-2:2018](#).

These standards cancel and supersede their last edition ES 8220 in 2019.

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

Proposed date of adoption: 4 December 2020.

Proposed date of entry into force: 15 January 2021.
