Addendum

The following communication, dated 2 June 2020, is being circulated at the request of the delegation of Egypt.

Products covered: Syringes, needles and catheters (ICS 11.040.25)

This addendum concerns the notification of the Ministerial Decree No. 174/2020 (2 pages, in Arabic) that gives the producers and importers a six-month transitional period to abide by the Egyptian Standard ES 1885-4 for "Sterile hypodermic syringes – Safety requirements and test methods Part 4: Syringes with re-use prevention feature" (19 page(s), in Arabic)

It should be noted that the draft of this Egyptian Standard was formerly notified in G/TBT/N/EGY/246 dated 6 February 2020.

Producers and importers are kept informed of any amendments in the Egyptian standard through the publication of administrative orders in the official gazette.

Proposed date of adoption: 10 March 2020

Proposed date of entry into force: 10 April 2020
