<input type="checkbox"/>	Interpretive guidance issued and text available from ¹ :
<input type="checkbox"/>	Other:

Description: Products covered: (ICS 11.040.20) Transfusion, infusion and injection equipment

This addendum concerns the notification of the Ministerial Decree No. 221/2021 (2 pages, in Arabic) that gives the producers and importers a six-month transitional period to abide by the Egyptian Standard ES 3241-2 " Injection equipment for medical use part2: one- point- cut (OPC) ampoules " (10 page(s), in Arabic).

It should be noted that the draft of this standard was formerly notified in G/TBT/N/EGY/253 dated 5 March 2020.

Worth mentioning is that this standard is technically identical with ISO 9187-2/2010 (confirmed in 2015).

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

A Proposed date of adoption: 20 May 2021.

Proposed date of entry into force: 14 June 2021.

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.
