This addendum concerns the notification of the draft Egyptian Standard ES 4178 "Poultry meat-mechanically separated" (11 pages, in Arabic).

It should be noted that the Ministerial Decree No. 515/2005 (10 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/2 dated 14 December 2005 mandated among others the earlier version of this Standard.

Worth mentioning is that this draft standard complies with:

- regulation (EC) no 853/2004 of the European parliament and of the council "hygiene rules for food of animal origin".
- commission regulation (EC) no 2073/2020 "microbiological criteria for foodstuffs"

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

Date of adoption: To be determined.

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Date of entry into force: To be determined.
