### Description:

Products covered: (ICS 43.060.40) Fuel systems, (ICS 23.020.35) Gas cylinders.

This addendum concerns the notification of the Draft of the Egyptian standard ES 3603 "Gas cylinders — High pressure cylinders for the on-board storage of natural gas as a fuel for automotive vehicles" (91 pages, in Arabic).

It should be noted that the Ministerial Decree No. 423/2005 (25 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/3 dated 14 December 2005 mandated among others the earlier version of this Standard.

Worth mentioning is that this draft standard is technically identical with modification with ISO 11439:2013 (confirmed in 2019).

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

<sup>1</sup> This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final measure and/or interpretive guidance can be obtained.

Date of adoption: To be determined.

Date of entry into force: To be determined.
