It should be noted that the draft of this Egyptian standard was formerly notified in G/TBT/N/EGY/3/Add.36 dated 5 October 2020.

Worth mentioning is that this standard is technically identical with modification with ISO 22991:2004 (confirmed in 2018).

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

Proposed date of adoption: 4 December 2020.
